

Beach Etiquette

- Please access the beach through the gates at the ramp, and remember to lock the gates behind you when entering and leaving.
- Please do not park golf carts or other vehicles on the ramp as they block access for launching boats and other watercraft.
- Please pick up all trash, bottles, cans and food before leaving. There is a blue trash can provided for your convenience.
- All dogs must be leashed.
- Please provide your dog with the opportunity to 'do its business' elsewhere, but if it does 'do its business' on the beach, please pick it up immediately!
- E-Z ups and other types of sun shades are welcome, but please do not leave them there when not in use.
- The beach and buoys are to be enjoyed on a first come/first served basis by Keys II owners and their guests.
- Buoys are placed and maintained by owners for all to enjoy, so please be kind to them!
- HAVE FUN!!

See you at the beach!!
